

NMAC FINANCE ACCOUNT MANAGER

For all Nissan Dealers

Publish Date: **May 17, 2018**

Effective Date: **May 21, 2018**

Effective **May 21, 2018**, NMAC will no longer offer the **SignatureDIRECTPAY®** program as an automatic payment option.

The **SignatureDIRECTPAY®** enrollment option will continue to appear on NMAC contracts until a revision can be made. In the meantime, if we receive an enrollment with a contract, the customer will receive a letter advising them we cannot enroll them in the program. The customer may still register on NMAC Finance Account Manager.

Example

SignatureDIRECTPAY AUTHORIZATION AGREEMENT (Not required. Please complete and sign if you want this option.)
 You agree to let us debit the payments shown in this contract from your account electronically when they are due. The payments will be debited from the Bank or other financial institution listed below. You also agree to let your Bank honor the debit requests. You agree to continue to make your payments until you are notified by us that the debit payment process is engaged. This agreement will be in effect until all the payments have been made. For your last payment, we will provide you with prior notice and explanation of the accrued charges before we debit your account for this payment. You can stop the debits at any time by giving us and your Bank written notice to cancel that allows a reasonable period of time for us to act. You agree that we will not send you paper monthly billing statements. You will be able to view your monthly billing statement electronically by logging in and registering at www.nissanfinance.com. You agree to provide us a voided check that has the Bank name, branch address and account number so we can arrange the debits.

As a reminder, NMAC Finance Account Manager (www.nissanfinance.com) offers free payment options including one-time payments and auto-payment schedules. Once customers register at nissanfinance.com, they will have access to these payment options as well as account information, payment history, important documents and more.

Customers do not have to wait for their welcome letter or first billing statement to sign up for these payment options – they can sign up as soon as their account number is assigned. Customers are also offered the ability to look up their account number during the registration process or can call our website support line at (800) 456-6622 and an NMAC representative can assist them with setting up their account.

Thank you for your assistance.
