| Item | Question                                                                 | Authors’ Response (place “-” if not applicable)                                                                 |
|------|--------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------|
| 1    | Would you like to share data collected for your study to others?         | Yes. The data during the current study are available from the corresponding author on reasonable request.       |
| 2    | If not, would you like to share the reason for your decision?            | -                                                                                                             |
| 3    | What data in particular will be shared?                                  | Data used to run the program                                                                                  |
| 4    | Any other documents will be shared? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code. | Yes. They are available from the corresponding author on reasonable request.                                    |
| 5    | When will data availability begin?                                       | After the manuscript published                                                                                 |
| 6    | When will data availability end?                                        | Two years after publication.                                                                                    |
| 7    | To whom will you share the data?                                        | Readers interested in the study                                                                                |
| 8    | For what type of analysis or purpose?                                   | For running program                                                                                           |
| 9    | How or where can the data/documents be obtained?                        | They are available from the corresponding author on reasonable request. zhucq1965@126.com                     |
| 10   | Any other restrictions?                                                 | We may balance the potential benefits and risks for each request and then provide the data that could be shared. |
