The central region of the *Drosophila* co-repressor Groucho as a regulatory hub.

Pak N. Kwong, Michael Chambers, Ajay A. Vashisht, Wiam Turki-Judeh, Tak Yu Yau, James A. Wohlschlegel, and Albert J. Courey

PAGE 30120:

The original Table 1 contained errors in primer sequences that were introduced while preparing the table for publication. The errors have been corrected. The corrections do not affect the interpretation of the results or the conclusions of the article.

| Domain | Sequence |
