Erratum to: Mutational landscape of mucinous ovarian carcinoma and its neoplastic precursors

Georgina L. Ryland¹, Sally M. Hunter¹, Maria A. Doyle², Franco Caramia², Jason Li², Simone M. Rowley¹, Michael Christie³, Prue E. Allan⁴, Andrew N. Stephens⁵,⁶,⁷, David D. L. Bowtell⁸,⁹,¹⁰, Australian Ovarian Cancer Study Group, Ian G. Campbell¹,⁹,¹¹ and Kylie L. Gorringe¹,⁹,¹¹

Erratum

It has come to our attention that there is an error in Additional file 2 for this article [1]. When opening Additional file 2, this links to the incorrect file. The correct version of Additional file 2 can be found below. The publishers apologise for any inconvenience caused.

Additional file

Additional file 2: Figure S1. Nucleotide substitution frequency and context. Figure S2. RRAS2 somatic mutation. Figure S3. Genetic comparison between mucinous ovarian tumors and mucinous cancers from other anatomical sites. Figure S4. ELF3 somatic mutations. Figure S5. H&E stained sections of frozen tissues used for exome discovery cohort. (PDF 9813 kb)
