Supplemental Online Content

Streed CG Jr, Morgan JR, Gai MJ, Larochelle MR, Paasche-Orlow MK, Taylor JL. Prevalence of HIV preexposure prophylaxis prescribing among persons with commercial insurance and likely injection drug use. JAMA Netw Open. 2022;5(7):e2221346. doi:10.1001/jamanetworkopen.2022.21346

eTable. Diagnostic Codes Utilized

This supplemental material has been provided by the authors to give readers additional information about their work.
eTable 1. Diagnostic Codes Utilized

| Text Label                        | Version | Diagnosis Code |
|----------------------------------|---------|----------------|
| **Substance Use Diagnoses**      |         |                |
| Opioid use disorder              | ICD-9   | 304.0x         |
|                                  |         | 304.7x         |
|                                  | ICD-10  | F11x           |
| Cocaine use disorder             | ICD-9   | 304.2x         |
|                                  |         | 305.6x         |
|                                  | ICD-10  | F14.2x         |
|                                  |         | F14.1x         |
|                                  |         | F14.9x         |
| Other stimulant dependence       | ICD-9   | 304.4x         |
|                                  |         | 305.7x         |
|                                  | ICD-10  | F15.2x         |
|                                  |         | F15.1x         |
|                                  |         | F15.9x         |
| **Sexual Behavior**              |         |                |
| High-risk sexual behavior        | ICD-9   | V69.2          |
| High-risk heterosexual behavior  | ICD-10  | Z72.51         |
| High-risk homosexual behavior    | ICD-10  | Z72.52         |
| High-risk bisexual behavior      | ICD-10  | Z72.53         |
| **Sexually transmitted infections** |       |                |
| Chlamydia                        | ICD-9   | 078.88         |
|                                  |         | 079.88         |
|                                  |         | 079.98         |
|                                  |         | 099.41         |
|                                  |         | 099.5          |
|                                  | ICD-10  | A74.x          |
|                                  |         | A56.xx         |
| Gonorrhea                        | ICD-9   | 098.xx         |
|                                  | ICD-10  | A54.xx         |
| Syphilis                         | ICD-9   | 090.xx         |
|                                  |         | 091.xx         |
|                                  |         | 092.xx         |
|                                  |         | 093.xx         |
|                                  |         | 094.xx         |
|                                  |         | 095.xx         |
|                                  |         | 096.xx         |
|                                  |         | 097.xx         |
| Herpes simplex | ICD-9 | 054.1   |
|               |       | 054.10  |
|               |       | 054.19  |

| ICD-10        | A50.xx |
|               | A51.0  |
|               | A51.49 |
|               | A52.3  |
|               | A53.0  |
|               | A53.9  |
