| Item | Question                                                                 | Authors’ Response (place “-” if not applicable) |
|------|---------------------------------------------------------------------------|--------------------------------------------------|
| 1    | Would you like to share data collected for your study to others?          | Yes.                                             |
| 2    | If not, would you like to share the reason for your decision?             |                                                  |
| 3    | What data in particular will be shared?                                   | All the data                                     |
| 4    | Any other documents will be shared? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code. | Yes.                                             |
| 5    | When will data availability begins?                                       | One year after the publication.                  |
| 6    | When will data availability end?                                          | Two years after the publication.                 |
| 7    | To whom will you share the data?                                         | To whom is interested.                           |
| 8    | For what type of analysis or purpose?                                    | For academic study.                              |
| 9    | How or where can the data/documents be obtained?                         | Via email with the corresponding author.         |
| 10   | Any other restrictions?                                                  | For each request, we may balance the potential benefits and risks before providing the data that could be shared. |
