**eTable.** Adjusted Odds Ratios for Association Between Selected Distance-Related Barriers to Abortion Access and Distances to Abortion

This supplemental material has been provided by the authors to give readers additional information about their work.
**eAppendix.** Google Ads Abortion Access Study Survey Questions Providing Data Used for Analysis

1. Are you pregnant right now?
   - [ ] Yes
   - [ ] No
   - [ ] Not sure

2. What happened with your most recent pregnancy? (As a reminder, your responses are completely confidential.)
   - [ ] I had an abortion procedure done by a clinician in a clinic or doctor’s office
   - [ ] I took abortion pills that I got from a clinic, doctor or nurse
   - [ ] I took abortion pills that I got from the internet or another source
   - [ ] Miscarriage – **END:** Thank you for participating in the first survey. You do not qualify to participate in this follow-up survey.
   - [ ] Other (please explain): ________________________ - **END:** Thank you for participating in the first survey. You do not qualify to participate in this follow-up survey.
### eTable. Adjusted Odds Ratios for Association Between Selected Distance-Related Barriers to Abortion Access and Distances to Abortion

| Distance-related barrier (OR)                                      | <5 miles (n=233) | 5-24 miles (n=382) | p-value     | 25-49 miles (n=85) | p-value     | ≥50 miles (n=165) | p-value     |
|-----------------------------------------------------------------|------------------|-------------------|-------------|-------------------|-------------|------------------|-------------|
| Any distance-related barriers reported                          | (ref)            | 0.98 (0.60,1.59)  | 0.925       | 4.04* (1.20,13.64) | 0.024       | 2.07* (1.00,4.27) | 0.049       |
| The distance I had to travel made if hard                       | (ref)            | 1.65* (1.12,2.43) | 0.011       | 5.98*** (3.46,10.34) | <0.001      | 8.45*** (5.32,13.41) | <0.001      |
| I had to make multiple trips to the facility                    | (ref)            | 1.40 (0.98,2.00)  | 0.061       | 1.75* (1.04,2.94)  | 0.036       | 1.98** (1.29,3.03) | 0.002       |
| I didn't know where to get an abortion                          | (ref)            | 1.33 (0.84,2.10)  | 0.229       | 2.19* (1.19,4.05)  | 0.012       | 2.28** (1.37,3.80) | 0.001       |
| I had to arrange for transport to the facility                  | (ref)            | 1.23 (0.86,1.74)  | 0.253       | 2.52*** (1.51,4.21) | <0.001      | 2.12*** (1.39,3.23) | <0.001      |
| I had to gather money for travel expenses                       | (ref)            | 1.07 (0.75,1.51)  | 0.720       | 2.64** (1.42,4.93) | 0.002       | 1.80* (1.12,2.89)  | 0.015       |
| I had to keep the abortion a secret                             | (ref)            | 1.18 (0.85,1.64)  | 0.324       | 1.99* (1.18,3.36)  | 0.010       | 1.62* (1.08,2.44)  | 0.021       |
| I had to arrange for childcare or care for another family member| (ref)            | 0.86 (0.59,1.25)  | 0.468       | 1.71* (1.01,2.89)  | 0.044       | 1.99** (1.30,3.04) | 0.001       |
| I had to get time off work/school                               | (ref)            | 1.20 (0.86,1.67)  | 0.276       | 1.36 (0.83,2.24)   | 0.224       | 1.25 (0.84,1.87)   | 0.272       |
