Correction to: NuA4 histone acetyltransferase activity is required for H4 acetylation on a dosage-compensated monosomic chromosome that confers resistance to fungal toxins

Hironao Wakabayashi1*, Christopher Tucker1, Gabor Bethlendy2,3, Anatoliy Kravets1, Stephen L. Welle4,5, Michael Bulger5, Jeffrey J. Hayes1 and Elena Rustchenko1

Correction to: Epigenetics & Chromatin (2017) 10:49
https://doi.org/10.1186/s13072-017-0156-y

After the publication of this work [1], it was noticed that an initial was missing from the author name: Jeffrey Hayes. His name should be written as: Jeffrey J. Hayes.

The original article has been corrected.
