2. No |
| Question                                                                 | Options                                                                 |
|-------------------------------------------------------------------------|-------------------------------------------------------------------------|
| Have you drink kosso during pregnancy?                                  | 1. Yes                                                                  |
|                                                                         | 2. No                                                                   |
| Have you drink telba during pregnancy?                                  | 1. Yes                                                                  |
|                                                                         | 2. No                                                                   |
| Where did you deliver your last child?                                  | 1. Home                                                                 |
|                                                                         | 2. Health facility                                                      |
| What instrument used to cut cord?                                       | 1. Boiled new blade                                                     |
|                                                                         | 2. Unclean blade used before                                            |
|                                                                         | 3. UN boiled new blade                                                  |
|                                                                         | 4. Boiled blade used before                                             |
| Was the umbilical cord tied?                                            | 1. Yes                                                                  |
|                                                                         | 2. No                                                                   |
| If yes, what type of thread do you use?                                 | 1. Boiled thread                                                        |
|                                                                         | 2. Unclean thread                                                       |
|                                                                         | 3. Other                                                                |
| What was given for the newborn body immediately after birth?           | 1. Butter                                                               |
|                                                                         | 2. Cow milk                                                             |
|                                                                         | 3. Water                                                                |
|                                                                         | 4. Nothing                                                              |
| When the child was started breast milk?                                | 1. Immediately (within 1 hour)                                          |
|                                                                         | 2. Within 1-24 hours                                                    |
|                                                                         | 3. After 24 hours                                                       |
|                                                                         | 4. Other (specify)                                                      |
| Did you give colostrum to newborn?                                     | 1. Yes                                                                  |
|                                                                         | 2. No                                                                   |
| When did you wash the newborn after delivery                           | 1. Immediately (with in 1 hour)                                        |
|                                                                         | 2. Within 1-24 hour                                                     |
|                                                                         | 3. After 24 hour                                                        |
|                                                                         | 4. Other Specify                                                        |
| Did you have any health?                                               | 1. Yes                                                                  |
|   |   |   |
|---|---|---|
| 2. | No |   |
| 314 | If yes, where did you get sick help? | 1. Health institution  
2. Religious  
3. Traditional healer  
4. Other (specify)   |
| 315 | How long after birth did you first put the baby on the breast? | 1. Immediately after delivery
