Narrative Review Checklist

| Section/Topic          | Item No | Item                                                                 | Reported on Page Number/Line Number | Reported on Section/Paragraph |
|------------------------|---------|----------------------------------------------------------------------|------------------------------------|------------------------------|
| TITLE                  | 1       | Identify the report as a Narrative Review or Literature Review.       | 1/3-5                              | Title                        |
| ABSTRACT               | 2       | Provide a structured summary with the subsections as: Background and Objective, Methods, Key Content and Findings, Conclusions. | 1-2/29-52                          | Abstract                     |
| INTRODUCTION           | 3       | Describe the rationale for the review in the context of what is already known. | 2-3/58-78                          | Introduction/1                |
|                        | 4       | Specify the key question(s) identified for the review topic.          | 2-3/58-78                          | Introduction/1                |
| METHODS                | 5       | Specify the process for identifying the literature search (eg, years considered, language, publication status, study design, and databases of coverage). | 3/81-88                            | Methods/1                     |
| DISCUSSION/SUMMARY     | 6       | Discuss: 1) research reviewed including fundamental or key findings, 2) limitations and/or quality of research reviewed, and 3) need for future research. | 3-12/90-373                        | Discussion/1-10               |
|                        | 7       | Provide an overall interpretation of the narrative review in the context of clinical practice for health professionals, policy development and implementation, or future research. | 12/373-392                         | Conclusion/1                  |
