Dear co-authors,

Our manuscript entitled "Loss of ORP21 induces XDH4 mediated autophagy and ferroptosis in glioblastoma cell lines" has been provisionally accepted for publication in Oncogene.

As we’ve discussed, we added new co-authors Yelun Zhao and Zhimin Zhao who have contributed during the revision process, and Runjing Zhou gave up her authorship due to a change in work.

As agreement from all authors including additions and deletions is needed for further process our manuscript. Please reply to this email to confirm your agreement to these changes. Both the most recent and the original manuscripts are attached for your reference.

Best regards,

Xingang Li
