Immunity to Sand Fly Salivary Protein LJM11 Modulates Host Response to Vector-Transmitted *Leishmania* Conferring Ulcer-Free Protection

*Journal of Investigative Dermatology* (2012) **132**, 2668; doi:10.1038/jid.2012.325; published online 30 August 2012

**Correction to:** *Journal of Investigative Dermatology* advance online publication, 28 June 2012; doi:10.1038/jid.2012.205

In the article by Gomes *et al.*, the labeling of Figure 2b is incorrect. The white-filled bar should be labeled BSA and the black-filled bar should be labeled rLJM11, as shown below. The publisher regrets the error.
