**Provider Survey of Enhanced Recovery After Surgery (ERAS) Protocols and Perioperative Surgical Homes (PSHs)**

**Demographics**

1. Please select your **department**:
   - Surgery
   - Anesthesia

2. Please select your **role**:
   - Attending
   - CRNA
   - Fellow
   - Resident
   a. If Resident or Fellow, PGY-Year:
      - 1
      - 2
      - 3
      - 4
      - 5
      - 6
      - 7
      - 8
      - 9
      - 10
   b. If Attending or CRNA, Years in Practice:
      - <5
      - 5-10
      - 11-15
      - 16-20
      - 21-25
      - >25

3. Please select your **gender** preference:
   - Male
   - Female

4. Please indicate your **age**:________

5. Please select your **race**:
   - Caucasian
   - African-American
   - Asian
   - Other
   - Other: _____________________

6. Hospital in which you primarily work:
   - Ross
   - James
   - UH
   - Brain & Spine
   - East
   - Stefanie Spielman
   - Jameson Crane

7. I have participated in the care of a patient in an ERAS/PSH protocol:
   - Yes
   - No

**Perception**

8. I **know_________** about enhanced recovery after surgery protocols and perioperative surgical homes.
   - Nothing
   - Very little
   - Some
   - A lot
   - Everything

9. **Please select one**: I believe enhanced recovery protocols and perioperative surgical homes are important for patient care.
   - Strongly Disagree
   - Disagree
   - Neutral
   - Agree
   - Strongly Agree

10. **Please select one**: I believe the hospital administration thinks enhanced recovery protocols and perioperative surgical homes are important for patient care.
    - Strongly Disagree
    - Disagree
    - Neutral
    - Agree
    - Strongly Agree

11. **Please select one**: I believe my colleagues think enhanced recovery protocols and perioperative surgical homes are important for patient care.
    - Strongly Disagree
    - Disagree
    - Neutral
    - Agree
    - Strongly Agree

12. **Please select one**: I believe that my patients have/will have improved care when they are involved in enhanced recovery protocols or perioperative surgical homes.
    - Strongly Disagree
    - Disagree
    - Neutral
    - Agree
    - Strongly Agree

13. **Please select one**: I believe the enhanced recovery protocols and perioperative surgical homes are a reasonable investment of my time.
    - Strongly Disagree
    - Disagree
    - Neutral
    - Agree
    - Strongly Agree

14. **Please select one**: I believe that enhanced recovery protocols and perioperative surgical homes improve/will improve the financial efficiency of our institution.
    - Strongly Disagree
    - Disagree
    - Neutral
    - Agree
    - Strongly Agree
Knowledge

1. **Please select one:** Enhanced recovery protocols and perioperative surgical homes are primarily designed to _________________
   a. Attenuate the patient’s response to surgical stress to improve length of stay and reduce postoperative complications and mortality
   b. Improve the efficiency of the hospital and lead to improved financial return in a diagnosis-related group payment system
   c. Address patient expectations preoperatively to lead to improved patient satisfaction
   d. All of the Above

2. I am most interesting in learning more about the following elements of ERAS/PSH (number in order 1 through 4)
   ___ Fluid management
   ___ Multimodal pain management
   ___ Minimizing perioperative complications
   ___ Improving perioperative efficiency

3. My ideal method to learn about ERAS/PSH is:
   a. Direct participation in institutional protocols
   b. Reviewing Journal articles or text books
   c. Seminars or lectures on the topic from national leaders
   d. Seminars or lectures on the topic from local leaders

4. I think formal education about ERAS/PSH should be part of training for upcoming health care providers:
   Surgeons: Y or N
   Anesthesia: Y or N
   Nursing: Y or N

5. I think barriers to gaining knowledge about ERAS/PSH include (choose all that apply)
   a. Lack of research
   b. Lack of time
   c. Lack of information provided by my employer
   d. Lack of interest from patients
   e. Lack of interest from providers

Future Planning

1. **Please select one:** Enhanced recovery protocols and perioperative surgical homes should be _________________
   a. Implemented broadly
   b. Focused on specific patient populations

2. **Comment:** Please elaborate on your thoughts you are in favor or disfavor of, as well as any general comments, considerations, or questions:

```

THANK YOU!
