Figure 3—source data 1. Footstep counts for each subject on all terrain.

| subject | flat  | uneven I | uneven II |
|---------|-------|----------|-----------|
| 1       | 363   | 321      | 448       |
| 2       | 228   | 78       | 473       |
| 3       | 473   | 131      | 436       |
| 4       | 373   | 471      | 519       |
| 5       | 366   | 557      | 109       |
| 6       | 224   | 160      | 327       |
| 7       | 218   | 398      | 442       |
| 8       | 503   | 489      | 479       |
| 9       | 477   | 390      | 392       |
