Erratum to: Traditional use and management of NTFPs in Kangchenjunga Landscape: implications for conservation and livelihoods

Yadav Uprety1*, Ram C. Poudel2, Janita Gurung3, Nakul Chettri3 and Ram P. Chaudhary1,4

Erratum
In the original publication [1] the species name Kutki (Neopicrorhiza scrophulariiflora) is wrongly mentioned as CITES listed species. The correct version of the sentence in the second paragraph of “Threats and conservation challenges” can be found here:

Illegal trade of NTFPs from the landscape often includes some of the CITES Appendix listed species such as Sunakhari (Orchids) and Lauth salla (Taxus wallichiana).
