Table S1. Woody plant species in hedgerows by site. First column indicates woody plant species. Second to fifth columns are different sites.

| Species                     | Los Billares | El Peral | Fuente del Albañal | Vista Alegre |
|-----------------------------|--------------|----------|---------------------|--------------|
| *Bupleurum fruticosum*     | X            | X        |                     |              |
| *Colutea arborescens*      | X            | X        |                     | X            |
| *Crataegus monogyna*       | X            | X        | X                   | X            |
| *Daphne gnidium*           | X            |          |                     | X            |
| *Dorycnium pentaphyllum*   |              | X        |                     | X            |
| *Ephedra nebrodensis*      | X            |          |                     |              |
| *Genista scorpius*         | X            |          | X                   |              |
| *Jasminum fruticosum*      | X            | X        | X                   | X            |
| *Juniperus oxycedrus*      | X            | X        |                     | X            |
| *Lavandula latifolia*      | X            |          |                     |              |
| *Osiris alba*              |              |          |                     | X            |
| *Phyllirea angustifolia*   | X            |          | X                   | X            |
| *Pistacia lentiscus*       |              |          |                     | X            |
| *Pistacia terebinthus*     | X            | X        |                     | X            |
| *Prunus dulcis*            | X            | X        | X                   | X            |
| *Prunus spinosa*           | X            |          |                     |              |
| *Quercus cocifera*         | X            | X        |                     | X            |
| *Quercus ilex*             | X            | X        | X                   | X            |
| *Retama sphaerocarpa*      | X            | X        | X                   | X            |
| *Rhamnus alaternus*        | X            | X        | X                   | X            |
| *Rhamnus lycioides*        | X            | X        |                     | X            |
| *Rosa canina*              | X            | X        | X                   | X            |
| *Rosmarinus officinalis*   |              |          |                     | X            |
| Number of woody plant species | 18          | 14       | 13                  | 14           |
