## Narrative Review Checklist

| Section/Topic               | Item No | Item                                                                 | Reported on Page Number/Line Number | Reported on Section/Paragraph |
|-----------------------------|---------|----------------------------------------------------------------------|-----------------------------------|------------------------------|
| **TITLE**                   |         |                                                                      |                                   |                              |
| Title                       | 1       | Identify the report as a Narrative Review or Literature Review.      | Page 1, line 1                    | Title                       |
| **ABSTRACT**                |         |                                                                      |                                   |                              |
| Structured summary          | 2       | Provide a structured summary with the subsections as: objective, background, methods, conclusion (1). | Page 2, lines 31-58               | Abstract                    |
| **INTRODUCTION**            |         |                                                                      |                                   |                              |
| Rationale/background        | 3       | Describe the rationale for the review in the context of what is already known. | Page 3, lines 65-91               | Introduction/para 1-2        |
| Objectives                  | 4       | Specify the key question(s) identified for the review topic.         | Page 3, lines 91-94               | Introduction/para 2          |
| **METHODS**                 |         |                                                                      |                                   |                              |
| Research selection          | 5       | Specify the process for identifying the literature search (eg, years considered, language, publication status, study design, and databases of coverage). | Page 3, lines 96-102              | Methods/para 3               |
| **DISCUSSION/SUMMARY**      |         |                                                                      |                                   |                              |
| Narrative                   | 6       | Discuss: 1) research reviewed including fundamental or key findings, 2) limitations and/or quality of research reviewed, and 3) need for future research. | Pages 3-9, lines 104-330           | Definition of oligometastatic disease & financial treatment of  |
| Summary                     | 7       | Provide an overall interpretation of the narrative review in the context of clinical practice and/or the Nutrition Care Process for registered dietitian nutritionists, clinical practice for other health professionals, policy development and implementation, or future research. | Page 9, lines 330-337             | Future perspectives        |
