Corrigendum

A protein palmitoylation cascade regulates microtubule cytoskeleton integrity in *Plasmodium*

Xu Wang, Pengge Qian, Huiting Cui, Luming Yao & Jing Yuan

**Correction to:** The EMBO Journal (2020) 39: e104168. DOI 10.15252/embj.2019104168 | Published online 12 May 2020

The authors became aware of an error in Figure 1I, specifically that the data for Pyisp1 were missing from the published figure. The data had been present in a previous revision of the manuscript. Figure 1I is herewith corrected. The authors have provided source data for this panel and apologize for any confusion this error may have caused.
