Description of Additional Supplementary Files

File Name: Supplementary Data 1
Description: Supplementary †Eoscincus ornatus Segmentation Data.

File Name: Supplementary Data 2
Description: Supplementary †Microteras borealis Segmentation Data.

File Name: Supplementary Data 3
Description: Supplementary Parsimony Analysis Input and Output.

File Name: Supplementary Data 4
Description: Supplementary Bayesian Analysis Input and Output.

File Name: Supplementary Data 5
Description: Supplementary Bayesian Analysis With Molecular Constraints Input and Output.

File Name: Supplementary Data 6
Description: Supplementary Figures in High Definition.
