Library Staff know how busy you are. In an effort to keep you abreast of current literature, selected articles from journals available through the Library Network Office have been scanned to create this list. Each month the citations with the links to the full text are sent out for your convenience. If there are any problems, or for some reason you do not receive the list, please contact the librarian who creates the monthly list: Edward Poletti, MLS, Edward.poletti@va.gov at Central Arkansas Veterans Healthcare System for assistance. Keep in mind that your local library staff can perform specific literature searches for you on topics of your choice.
