Questionnaire about Visual Quality

This questionnaire describes and asks you about 3 photic phenomena experience you might have with your vision. You will be asked if you experience any of them and asked to answer questions about:
- how often they occur;
- how severe they are at their worst.

There are pictures for the photic phenomena experience. These pictures may not be exactly what you experience. Choose the one that is most like what you see or experience.

QUESTION 1
1.1 How often did you experience starburst?
   □ Never  □ Rarely  □ Sometimes  □ Most of time  □ Always
1.2 Using the pictures below, rate how severe your worst experience was with starburst. These pictures may not look exactly like what you see, but are a guide to help you choose your answer.

   □ None  □ A little  □ Mild  □ Moderate  □ Severe

QUESTION 2
2.1 How often did you experience halo?
   □ Never  □ Rarely  □ Sometimes  □ Most of time  □ Always
2.2 Using the pictures below, rate how severe your worst experience was with halo. These pictures may not look exactly like what you see, but are a guide to help you choose your answer.

   □ None  □ A little  □ Mild  □ Moderate  □ Severe

QUESTION 3
3.1 How often did you experience glare?
   □ Never  □ Rarely  □ Sometimes  □ Most of time  □ Always
3.2 Using the pictures below, rate how severe your worst experience was with glare. These pictures may not look exactly like what you see, but are a guide to help you choose your answer.

   □ None  □ A little  □ Mild  □ Moderate  □ Severe
