Manuscript Title: CD2+ T-helper 17-like cells differentiated from a CD133+ subpopulation of non-smX cell lung carcinoma cells promote the growth of lung carcinoma
Manuscript number (if known): ATM-21-980

In the interest of transparency, we ask you to disclose X relationships/activities/interests listed below that are related to the content of your manuscript. “Related” means any relation with for-profit or not-for-profit third parties whose interests may be affected by the content of the manuscript. Disclosure represents a commitment to transparency and does not necessarily indicate a bias. If you are in doubt about whether to list a relationship/activity/interest, it is preferable that you do so.

The following questions apply to the author’s relationships/activities/interests as they relate to the current manuscript only.

The author’s relationships/activities/interests should be defined broadly. For example, if your manuscript pertains to the epidemiology of hypertension, you should declare X relationships with manufacturers of antihypertensive medication, even if that medication is not mentioned in the manuscript.

In item #1 below, report X support for the work reported in this manuscript without time limit. For X other items, the time frame for disclosure is the past 36 months.
