In the article “Microbiologic pattern and clinical outcome of non-ICU-acquired pneumonia: Korean HAP registry analysis” by Jang JH et al. (Korean J Intern Med 2022;37:800-810), there is a mistake in the first affiliation. The correct affiliation is “Division of Allergy, Pulmonary and Critical Care Medicine, Department of Internal Medicine, Pusan National University Yangsan Hospital and School of Medicine, Pusan National University.”

We apologize for any inconvenience that this may have caused.
