### S1 Appendix. Study questionnaires

#### Behavioural variables

| Variable: Condom use during sexual intercourse (Spanish): |
|----------------------------------------------------------|
| ¿Con qué frecuencia usa el preservativo durante sus relaciones sexuales? |
| Nunca | Ocasionalemente | Habitualmente | Siempre |

| Variable: Condom use during sexual intercourse (English): |
|----------------------------------------------------------|
| How often do you use condom during sexual intercourse? |
| Never | Sometimes | Often | Always |

| Variable: Regular use of drugs (Spanish): |
|------------------------------------------|
| ¿Cuáles de las siguientes drogas utilizas de manera habitual? |
| Alcohol | Cannabis | GHB/GBL | Poppers | MDMA | Ketamina | Mefedrona | Speed | Metanfetamina | Otras drogas |

| Variable: Regular use of drugs (English): |
|------------------------------------------|
| Which of the following do you take regularly? |
| Alcohol | Cannabis | GHB/GBL | Poppers | MDMA | Ketamine | Mephedrone | Speed | Metanphetamine | Other drugs |

### PrEP related measures

| Variable: Number of missed doses (Spanish): |
|--------------------------------------------|
| En la última semana, ¿cuántas veces has olvidado tomar la PrEP? |
| Ninguna | 1-2 | 3-4 | 5-7 |

| Variable: Number of missed doses (English): |
|--------------------------------------------|
| Which of the following do you take regularly? |
| Alcohol | Cannabis | GHB/GBL | Poppers | MDMA | Ketamine | Mephedrone | Speed | Metanphetamine | Other drugs |
Variable: Number of missed doses (English)

How many PrEP did you miss in the last week?

None
1-2
3-4
5-7

Participant satisfaction

Variable: Satisfaction with waiting times (Spanish)

¿El tiempo de espera ha sido adecuado?
Completamente en desacuerdo
En desacuerdo
De acuerdo
Completamente de acuerdo

Variable: Satisfaction with waiting times (English)

Was waiting time appropriate?
Strongly disagree
Disagree
Agree
Strongly agree

Variable: Satisfaction with the information received about collecting PrEP pills (Spanish)

¿La información recibida sobre cómo recoger la PrEP ha sido adecuada?
Completamente en desacuerdo
En desacuerdo
De acuerdo
Completamente de acuerdo

Variable: Satisfaction with the information received about collecting PrEP pills (English)

Was the information received about collecting PrEP pills appropriate?
Strongly disagree
Disagree
Agree
Strongly agree

Variable: Satisfaction with the information received about what to do in the case of side effects (Spanish)

¿La información recibida sobre cómo actuar en caso de efectos adversos ha sido adecuada?
Completamente en desacuerdo
En desacuerdo
De acuerdo
Completamente de acuerdo

Variable: Satisfaction with the information received about what to do in the case of side effects (English)

Was the information received about what to do in the case of side effects appropriate?
Strongly disagree
### Variable: General satisfaction with PrEP (Spanish)

De manera general ¿qué grado de satisfacción tienes con respecto a la PrEP en este estudio?

- Muy satisfecho
- Satisfecho
- Neutral
- Insatisfecho

### Variable: General satisfaction with PrEP (English)

How would you rate your experience with PrEP in general in this study?

- Very satisfied
- Satisfied
- Neutral
- Dissatisfied

### Practitioner satisfaction

| Variable: Practitioner satisfaction (Spanish) |
|------------------------------------------------|
| Por favor, indica tu nivel de acuerdo con cada uno de los siguientes enunciados |
| La aceptación de los participantes a participar en el estudio ha sido la esperada |
| Completamente de acuerdo | De acuerdo | En desacuerdo | Completamente de acuerdo |
| La proporción de participantes que cumplió criterios de PrEP fue la esperada |
| Completamente de acuerdo | De acuerdo | En desacuerdo | Completamente de acuerdo |
| Las instalaciones del centro permitieron mantener la privacidad durante las visitas del estudio |
| Completamente de acuerdo | De acuerdo | En desacuerdo | Completamente de acuerdo |
| La relación con el hospital ha sido adecuada |
| Completamente de acuerdo | De acuerdo | En desacuerdo | Completamente de acuerdo |
| El centro ha contado con personal suficiente necesario para llevar a cabo el estudio |
| Completamente de acuerdo | De acuerdo | En desacuerdo | Completamente de acuerdo |

### Variable: Practitioner satisfaction (English)

Pleases, assess your degree of agreement with the following statements:

| Participants’ willingness to participate in the study was as high as expected |
| Strongly agree | Agree | Disagree | Strongly disagree |
| The proportion of participants meeting |
| Strongly agree | Agree | Disagree | Strongly disagree |
| Statement                                                                 | Strongly agree | Agree | Disagree | Strongly disagree |
|---------------------------------------------------------------------------|----------------|-------|----------|-------------------|
| PrEP criteria was similar to that expected                                | Strongly agree | Agree | Disagree | Strongly disagree |
| The centre’s facilities allowed privacy to be maintained during visits    | Strongly agree | Agree | Disagree | Strongly disagree |
| The relationship with the hospital has been appropriate                   | Strongly agree | Agree | Disagree | Strongly disagree |
| The centre has enough personnel to conduct the study                      | Strongly agree | Agree | Disagree | Strongly disagree |
