ERRATUM: “X-RAY DETECTION FROM BONA FIDE AND CANDIDATE BROWN DWARFS IN THE ρ OPHIUCHI CLOUD WITH CHANDRA” (ApJ, 563, 361 [2001])

Kensuke Imanishi, Masahiro Tsujimoto, and Katsuji Koyama
Department of Physics, Graduate School of Science, Kyoto University

Errors were made in the calculations of emission measures (EMs) using the best-fit normalizations in XSPEC. All the EMs in Table 3 should be multiplied by \( \pi \); the log (EM) in the first row, for example, is 52.1(52.0–52.6), not 51.6(51.5–52.1). All the spectral parameters except EM are unchanged. These errors of EM do not affect any of the conclusions of the paper.
