# Narrative Review Checklist

| Section/Topic       | Item No | Item                                                                 | Reported on Page Number/Line Number | Reported on Section/Paragraph |
|---------------------|---------|----------------------------------------------------------------------|------------------------------------|------------------------------|
| **TITLE**           |         |                                                                      |                                    |                              |
| Title               | 1       | Identify the report as a Narrative Review of …                      | Page 1                             | Title                        |
| **ABSTRACT**        |         |                                                                      |                                    |                              |
| Unstructured summary| 2       | Provide an unstructured summary including, as applicable: background, objective, brief summary of narrative review and implications for future research, and clinical practice or policy development. | Page 3/line 55                    | Abstract                     |
| **INTRODUCTION**    |         |                                                                      |                                    |                              |
| Rationale/background | 3       | Describe the rationale for the review in the context of what is already known. | Page 4/line 76                    | Introduction/Para 1-3         |
| Objectives          | 4       | Specify the key question(s) identified for the review topic.        | Page 5/line 118                    | Introduction/Para 4-5         |
| **METHODS**         |         |                                                                      |                                    |                              |
| Research selection  | 5       | Specify the process for identifying the literature search (eg, years considered, language, publication status, study design, and databases of coverage). | Page 5/line 116                    | Methods                      |
| **DISCUSSION/SUMMARY** |         |                                                                      |                                    |                              |
| Narrative           | 6       | Discuss: 1) research reviewed including fundamental or key findings, 2) limitations and/or quality of research reviewed, and 3) need for future research. | Page 6/line 128                    | Page3-Page 14/Line 372       |
| Summary             | 7       | Provide an overall interpretation of the narrative review in the context of clinical practice and/or the Nutrition Care Process for registered dietitian nutritionists, clinical practice for other health professionals, policy development and implementation, or future research. | Page 14/Line 374                  | Conclusions                  |
