Supplemental Figure 4, Veazey et al.

A

Toledo Xenograft Tumors

|          | Vehicle 1 | Vehicle 2 | CARM1\textsuperscript{EZM} | CARM1\textsuperscript{EZM} 2 |
|----------|-----------|-----------|----------------------------|----------------------------|
| PABP1    |           |           | 71 kDa                     | 71 kDa                     |
| PABP1\textsuperscript{me2a} |           |           | 71 kDa                     | 71 kDa                     |

B

U2932 Xenograft Tumors

|          | Vehicle 1 | Vehicle 2 | CARM1\textsuperscript{EZM} | CARM1\textsuperscript{EZM} 2 |
|----------|-----------|-----------|----------------------------|----------------------------|
| PABP1    |           |           | 71 kDa                     | 71 kDa                     |
| PABP1\textsuperscript{me2a} |           |           | 71 kDa                     | 71 kDa                     |
