# Narrative Review Checklist

| Section/Topic | Item No | Item | Reported on Page Number/Line Number | Reported on Section/Paragraph |
|---------------|---------|------|------------------------------------|------------------------------|
| **TITLE**     |         |      |                                    |                              |
| Title         | 1       | Identify the report as a Narrative Review of … | Page 1, Lines 1-2 | Title page, Paragraph 1 |
| **ABSTRACT**  |         |      |                                    |                              |
| Unstructured summary | 2 | Provide an unstructured summary including, as applicable: background, objective, brief summary of narrative review and implications for future research, and clinical practice or policy development. | Pages 3-4, Lines 39-67 | Abstract, Paragraph 1 |
| **INTRODUCTION** |         |      |                                    |                              |
| Rationale/background | 3 | Describe the rationale for the review in the context of what is already known. | Pages 5-7, Lines 85-128 | Introduction, Paragraph 3 |
| Objectives    | 4       | Specify the key question(s) identified for the review topic. | Page 7, Lines 130-132 | Introduction, Paragraph 4 |
| **METHODS**   |         |      |                                    |                              |
| Research selection | 5 | Specify the process for identifying the literature search (eg, years considered, language, publication status, study design, and databases of coverage). | Pages 7-8, Lines 135-141 | Methods, Paragraph 1 |
| **DISCUSSION/SUMMARY** | | | | |
| Narrative | 6 | Discuss: 1) research reviewed including fundamental or key findings, 2) limitations and/or quality of research reviewed, and 3) need for future research. | Page 17, Lines 342-350 | Target therapies/Paragaphs 2 and 3 |
| Summary     | 7       | Provide an overall interpretation of the narrative review in the context of clinical practice and/or the Nutrition Care Process for registered dietitian nutritionists, clinical practice for other health professionals, policy development and implementation, or future research. | Pages 23-24, Lines 483-502 | Conclusions, Paragraph 1 |

*As the checklist was provided upon initial submission, the page number/line number reported may be changed due to copyediting and may not be referable in the published version. In this case, the section/paragraph may be used as an alternative reference.*
