Expression of concern: “Design and simulation of an automatic room heater control system”

Heliyon is publishing an Editorial Expression of Concern regarding the following article “Design and simulation of an automatic room heater control system” by Adamu Murtala Zungeru, Mmoloki Mangwala, Joseph Chuma, Baboloki Gaebolae and Bokamoso Basutli which was first published 20.06.2018 in Heliyon Volume 4, Issue 6, June 2018, article number e00655, https://doi.org/10.1016/j.heliyon.2018.e00655. The editors wish to alert the readers to a later duplicate publication of the same article entitled “An Enhanced Automatic Room Temperature Control System” by Adamu Murtala Zungeru, Mmoloki Mangwala, Joseph Chuma and Baboloki Gaebolae published in November 2018 in the Journal of Engineering and Applied Sciences, Volume: 13, Issue: 13, Page No. 5037–5044, https://doi.org/10.36478/jeasci.2018.5037.5044 (https://medwelljournals.com/abstract/?doi=jeasci.2018.5037.5044). The corresponding author attempted withdrew the second article before the publication in August 2018 but was unsuccessful. Our attempt to contact and obtain information from the Journal of Engineering and Applied Sciences was unsuccessful. The corresponding author has agreed to the publication of this Expression of Concern.
