A corrigendum on Angelman, Prader-Willi, Williams-Beuren syndrome, Chromosome Mapping

Angelman and Williams Beuren syndromes are not autosomal recessive (AR) and Prader-Willi syndrome is not autosomal dominant as incorrectly stated in the text. The rest of the molecular genetic information given is correct. We apologize for the inconvenience.

Conflict of Interest Statement: The authors declare that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest.
