Retraction Note: Brace classification study group (BCSG): part one – definitions and atlas

Theodoros B. Grivas1, Jean Claude de Mauroy2*, Grant Wood3, Manuel Rigo4, Michael Timothy Hresko5, Tomasz Kotwicki6 and Stefano Negrini7,8

Retraction Note
The Publisher has retracted this article [1], as it is unclear whether written informed consent was obtained from some patients to publish their images in an Open Access journal. The article is no longer available online in order to protect the privacy of the individuals. GW, SN, JCDM and TG disagree with this retraction. MR, MTH and TK did not state whether they agreed or disagreed with the retraction.
