Erratum

Limitations of the death certificate only index as a measure of incompleteness of cancer registration

H Brenner
British Journal of Cancer, 1995; 72: 506-510

Since the publication of the above paper, the publishers have identified an error on page 507, column 1, equations 3 and 4. The correct equations are shown below.

\[
\begin{align*}
\text{DCO} &= P_d(1 - P_o)/(1 - \text{INC}) \\
&= P_d\text{INC}/[(1 - \text{INC})(1 - P_d)] \quad (3)
\end{align*}
\]

or, equivalently,

\[
\begin{align*}
\text{INC} &= 1 - P_d(1 - P_o)/\text{DCO} \\
&= 1 - P_d/[\text{DCO} + P_d(1 - \text{DCO})] \quad (4)
\end{align*}
\]
