# Narrative Review Checklist

| Section/Topic | Item No | Item                                                                 | Reported on Page Number/Line Number | Reported on Section/Paragraph |
|---------------|---------|----------------------------------------------------------------------|-----------------------------------|------------------------------|
| **TITLE**     |         |                                                                      |                                   |                              |
| Title         | 1       | Identify the report as a Narrative Review or Literature Review.      | page 1, line 1-2                  | title page                   |
| **ABSTRACT**  |         |                                                                      |                                   |                              |
| Structured summary | 2   | Provide a structured summary with the subsections as: objective, background, methods, conclusion (1). | page 1, lines 2-21 | abstract, paragraphs 1-4     |
| **INTRODUCTION** |        |                                                                      |                                   |                              |
| Rationale/background | 3  | Describe the rationale for the review in the context of what is already known. | page 2, lines 47-50 | Intro, paragraph 1           |
| Objectives    | 4       | Specify the key question(s) identified for the review topic.          | page 2, line 52                   | intro, paragraph 1           |
| **METHODS**   |         |                                                                      |                                   |                              |
| Research selection | 5   | Specify the process for identifying the literature search (eg, years considered, language, publication status, study design, and databases of coverage). | page 2, lines 56-64 | methods, paragraph 1         |
| **DISCUSSION/Summary** |   |                                                                      |                                   |                              |
| Narrative     | 6       | Discuss: 1) research reviewed including fundamental or key findings, 2) limitations and/or quality of research reviewed, and 3) need for future research. | pages 5-8, "Current Role in Advanced Primary Lung Cancer," "current role in advanced primary lung cancer," | "current role in advanced primary lung cancer," "current role in advanced primary lung cancer," |
| Summary       | 7       | Provide an overall interpretation of the narrative review in the context of clinical practice and/or the Nutrition Care Process for registered dietitian nutritionists, clinical practice for other health professionals, policy development and implementation, or future research. | page 9-10, lines 247-262        | summary, paragraph 1         |
