SECTION TWO: ESSENTIAL CONDITIONS FOR CHANGE
The new author list should contain only those who can legitimately claim authorship. This is all those who:

1) Have made a substantial contribution to the concept or design of the article; or the acquisition, analysis, or interpretation of data for the article; AND
2) Drafted the article or revised it critically for important intellectual content; AND
3) Approved the version to be published; AND
4) Agreed to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved.

NB: Registered authors should meet the conditions of all of the points above. All contributors who do not meet the criteria for authorship should instead be listed in an ’Acknowledgements’ section.
