PRODUCTION INFORMATION

For manuscripts that have been accepted for publication, please contact:
E-mail: ojbm@scirp.org
Open Journal of Business and Management (OJBM) is an international journal dedicated to the latest advancement in the study of business and management. The goal of this journal is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in different areas of business and management.

Subject Coverage

All manuscripts must be prepared in English, and are subject to a rigorous and fair peer-review process. Accepted papers will immediately appear online followed by printed hard copy. The journal publishes original papers covering a wide range of fields but not limited to the following:

| Accounting                          | Enterprises (global SMEs)                        |
|-------------------------------------|-------------------------------------------------|
| Advertising                         | Legislative issues/initiatives at the entrepreneurial sector |
| Analysis                            | Management information systems                   |
| Business and economics education    | Management organization                          |
| Business ethics and corporate social responsibility | Marketing                                     |
| Business finance and investment     | Marketing theory and applications                |
| Business law                         | Operations management                             |
| Business research methods            | Organizational behavior                           |
| Business theories                    | Organizational behavior and theory              |
| Case studies and management information systems | Personnel and industrial relations             |
| Communication                       | Production/operations management                 |
| Consumer behavior                   | Project management                                |
| Corporate governance                | Project management and strategy                  |
| Engineering management              | Risk management                                   |
| Entrepreneurship                    | Sales management                                  |
| Environmental management and profitability | Social issues and public policy                |
| Financial reporting                 | Statistics and econometrics                      |
| General business research           | Strategic management                              |
| General management                  | Strategic management policy                       |
| Health management in public and private institutions at the healthcare sector | Supply chain management—advancements in logistics management |
| Human resource management           | Technology and innovation diffusion in enterprises |
| Information technologies            | Total quality management                         |
| Insurance                           |                                                 |
| Internationalization features of Small and Medium |                                                 |

We are also interested in: 1) Short reports — 2-5 page papers in which an author can either present an idea with a theoretical background but has not yet completed the research needed for a complete paper, or preliminary data; 2) Book reviews — Comments and critiques, special peer-reviewed issue for colloquia, symposia, workshops.

Notes for Intending Authors

The submitted manuscript should not have been previously published in any form and must not be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
