## Data Sharing Statement

| Item | Question                                                                 | Authors’ Response (place “-” if not applicable) |
|------|--------------------------------------------------------------------------|--------------------------------------------------|
| 1    | Would you like to share data collected for your study to others?         | Yes                                              |
| 2    | If not, would you like to share the reason for your decision?            | -                                                |
| 3    | What data in particular will be shared?                                  | The survival data in particular will be shared.  |
| 4    | Any other documents will be share? Such as study protocol, statistical  | Statistical analysis plan and study protocol will |
|      |   analysis plan, informed consent form, clinical study report, analytic  | also be shared if requested.                     |
|      |   code.                                                                  |                                                  |
| 5    | When will data availability begin?                                       | From the publication date.                       |
| 6    | When will data availability end?                                         | Two years within the publication date.           |
| 7    | To whom will you share the data?                                        | Hepatologists who are interesting in PA-induced   |
|      |                                                                          | HVOD.                                            |
| 8    | For what type of analysis or purpose?                                    | For analysis to evaluate the prognostic factors  |
|      |                                                                          | for PA-induced HSOS.                             |
| 9    | How or where can the data/documents be obtained?                         | Emails could be sent to the address below to     |
|      |                                                                          | obtain the shared data: haitao5299@163.com       |
| 10   | Any other restrictions?                                                  | We may balance the potential benefits and risks  |
|      |                                                                          | for each request and then provide the data that  |
|      |                                                                          | could be shared.                                 |
