Supplementary table 1. Primer sequences used in this study.

| Primer name     | Sequence                                      |
|-----------------|-----------------------------------------------|
| U6_F            | CTCGCTTCGGCAGCACA                             |
| U6_R            | AACGCTTCACGAATTTGCGT                          |
| miR-484_F       | GCGTCAGGCTCAGTCCCCCT                          |
| miR-484_R       | AGTGCAGGTCGAGGTATT                            |
| YAP1_F          | TAGCCCTCGTAGCCAGTTA                           |
| YAP1_R          | TCATGCTTAGTCCACTGTCTGT                        |
| β-actin_F       | CCTCCTGGGCATGAGTC                            |
| β-actin_R       | TGATCTTCATTGCTGTGGGTG                        |
| ND-1_F          | CCCTAAACCCTCCACATCT                           |
| ND-1_R          | GAGCGATGGTGAGAGCTAAGGT                       |
| β-globin_F      | AAAGTGCCCTTGAGGGTGTC                         |
| β-globin_R      | TGAAGGCTCATGGCAAGAAA                         |
