Erratum

The original version of this article [1] unfortunately contained a mistake. The presentation of Table 2 was incorrect in the HTML and PDF versions of this article with the following errors:

- The local name 'Eyabia' has moved down a row causing subsequent rows to move out of order.
- In addition, there are several errors in the reported effects of Ocimum suave, Vernonia amygdalina and Sphaerogyne latifolia.

The corrected Table 2 is given below.

Author details

1Department of Obstetrics and Gynaecology, Odense University Hospital, Odense C 5000, Denmark. 2Department of International Health, Immunology and Microbiology, Faculty of Health and Medical Sciences, University of Copenhagen, 3D Blegdamsvej, Copenhagen N 2200, Denmark. 3The Medical Faculty, University of Southern Denmark, Odense C 5000, Denmark. 4Department of Botany, University of Dar es Salaam, Dar es Salaam, Tanzania. 5Department of Drug Design and Pharmacology, Faculty of Health and Medical Sciences, University of Copenhagen, 2 Universitetsparken, Copenhagen O 2100, Denmark.
