Erratum
After publication of this article [1], it was noticed that equation 1 incorrectly contained an additional ‘+’ sign. The correct version of equation 1 is included in this erratum.

\[
\frac{dx_i}{dt} = \frac{m_ix_i}{k_{ie}} \left( k_{ie} + \sum_{j=1}^{N} \omega_{ij}x_j \right)
\]

In addition, it was noticed the email address for the corresponding author, Daniel A. Power, is incorrect. This is correctly included in this erratum under the correspondence section.
