Call for Articles

Some issues of *Practical Theology* will focus on particular themes. *Issue 6.2—Counter-terrorism, Law and Order.* To encourage practical theological reflection on domestic and international dimensions of counter-terrorism strategies, articles are welcome from, for example, practitioners working alongside particular faith or ethnic communities directly affected by government or policing policies, and academic writers exploring political or social aspects from theological perspectives. Deadline for submissions: 30 November 2012. Collaborative authorship is particularly encouraged.

Guidelines for authors are available at: http://www.equinoxjournals.com/PRTH/about/submissions
