## Data Sharing Statement

| Data collected for your study | Section                  | Question                                                                 | Authors’ Response (place “-” if not applicable) |
|-------------------------------|--------------------------|--------------------------------------------------------------------------|-----------------------------------------------|
|                               | Will the data collected for your study be made available to others? | Yes. As long as the applicant's conditions meet the relevant laws and regulations of China. | |
|                               | If not, would you like to share the reason for your decision? | ---                                                                      | |
|                               | What data in particular will be shared? | The data of serum and urinary MBL levels. | |
|                               | Any additional information about data? | ---                                                                      | |
|                               | How or where can the data be obtained? | The data was available upon request via emailing the corresponding author. | |
|                               | When will data availability begin? | After the publication of the manuscript                                  | |
|                               | When will data availability end? | No end.                                                                  | |

| Supporting documents | Section                  | Question                                                                 | Authors’ Response (place “-” if not applicable) |
|----------------------|--------------------------|--------------------------------------------------------------------------|-----------------------------------------------|
|                      | Will any supporting documents be available? | No supporting documents. | |
|                      | Which supporting documents? | ----                                                                      | |
|                      | Any additional information about supporting documents? | ----                                                                      | |
|                      | How or where can supporting documents be obtained? | ----                                                                      | |
|                      | When will supporting documents availability begin? | ----                                                                      | |
|                      | When will supporting documents availability end? | ----                                                                      | |

| Restrictions | Section                  | Question                                                                 | Authors’ Response (place “-” if not applicable) |
|--------------|--------------------------|--------------------------------------------------------------------------|-----------------------------------------------|
|              | To whom will data be available? | The applicant's conditions should meet the relevant laws and regulations of China. | |
|              | For what type of analysis or purpose? | Meta-analysis or system review. | |
|              | By what mechanism? | By emailing to the corresponding author. | |
| Any other restrictions? | None. |
|-------------------------|-------|
| Additional information  | None. |
