Retraction

Retraction: Performance of news clustering using ant colony optimization (J. Phys.: Conf. Ser. 1566 012101)

Published 24 May 2022

This article has been retracted by the authors following an admission that this article is a duplicate publication [1].

IOP Publishing has investigated in line with the COPE guidelines, and agree that this article should be retracted.

The authors agree to this retraction.
