# Narrative Review Checklist

| Section/Topic | Item No | Item                                                                 | Reported on Page Number/Line Number | Reported on Section/Paragraph |
|---------------|---------|----------------------------------------------------------------------|------------------------------------|-----------------------------|
| **TITLE**     |         |                                                                       |                                    |                             |
| Title         | 1       | Identify the report as a Narrative Review of …                       | 1/1-3                              | Title                      |
| **ABSTRACT**  |         |                                                                       |                                    |                             |
| Unstructured summary | 2    | Provide an unstructured summary including, as applicable: background, objective, brief summary of narrative review and implications for future research, and clinical practice or policy development. | 2/4-19                            | Abstract                   |
| **INTRODUCTION** |       |                                                                       |                                    |                             |
| Rationale/background | 3    | Describe the rationale for the review in the context of what is already known. | 3/38-51                           | 1                           |
| Objectives    | 4       | Specify the key question(s) identified for the review topic.          | 3/51-52                           | 1                           |
| **METHODS**   |         |                                                                       |                                    |                             |
| Research selection | 5    | Specify the process for identifying the literature search (eg, years considered, language, publication status, study design, and databases of coverage). | NA                                | NA                         |
| **DISCUSSION/SUMMARY** |       |                                                                       |                                    |                             |
| Narrative     | 6       | Discuss: 1) research reviewed including fundamental or key findings, 2) limitations and/or quality of research reviewed, and 3) need for future research. | 2-27/62-800                       | 2,3,4 and 5                |
| Summary       | 7       | Provide an overall interpretation of the narrative review in the context of clinical practice and/or the Nutrition Care Process for registered dietitian nutritionists, clinical practice for other health professionals, policy development and implementation, or future research. | 27/801-816                       | 5                           |
