Correction: When Less Is More: Non-monotonic Spike Sequence Processing in Neurons

The PLOS Computational Biology Staff

Notice of Republication
This article was republished on May 26, 2015, to include details of the editor who handled the submission, which had been omitted due to an error in production. Please download this article again to view the correct version. The originally published, uncorrected article and the republished, corrected article are provided here for reference.

Supporting Information
S1 File. Originally published, uncorrected article. (PDF)
S2 File. Republished corrected article. (PDF)
