## CARE Checklist of information to include when writing a case report

| Topic | Item No | Checklist item description | Reported on Page Number/Line Number | Reported on Section/Paragraph |
|-------|---------|-----------------------------|-------------------------------------|------------------------------|
| Title | 1       | The diagnosis or intervention of primary focus followed by the words "case report" | Page1/Line 3-4 | Title |
| Key Words | 2 | 2 to 5 key words that identify diagnoses or interventions in this case report, including "case report" | Page2/Line 40 | Keywords |
| Abstract (no references) | 3a | Introduction: What is unique about this case and what does it add to the scientific literature? | Page1/Line 24-25 | Abstract |
| | 3b | Main symptoms and/or important clinical findings | Page1/Line 25-26 | Abstract |
| | 3c | The main diagnoses, therapeutic interventions, and outcomes | Page1/Line 26-35 | Abstract |
| | 3d | Conclusion—What is the main “take-away” lesson(s) from this case? | Page2/Line 36-38 | Abstract |
| Introduction | 4 | One or two paragraphs summarizing why this case is unique (may include references) | Page2/Line 44-74 | Introduction/Paragrap |
| Patient Information | 5a | De-identified patient specific information | Page3/Line 80 | Case presentation/ |
| | 5b | Primary concerns and symptoms of the patient | Page3/Line 80 | Case presentation/ |
| | 5c | Medical, family, and psycho-social history including relevant genetic information | Page3/Line 81 | Case presentation/ |
| | 5d | Relevant past interventions with outcomes | Not reported as she had no | |
| Clinical Findings | 6 | Describe significant physical examination (PE) and important clinical findings | Page3/Line 82-83 | Case presentation/ |
| Timeline | 7 | Historical and current information from this episode of care organized as a timeline | Page3/Line 84, Figure 1 | Case presentation/ |
| Diagnostic Assessment | 8a | Diagnostic testing (such as PE, laboratory testing, imaging, surveys). | Page3/Line 85-89, 94-95 | Case presentation/ |
| | 8b | Diagnostic challenges (such as access to testing, financial, or cultural) | Page3/Line 83-84 | Case presentation/ |
| | 8c | Diagnosis (including other diagnoses considered) | Page3/Line 90-91 | Case presentation/ |
| | 8d | Prognosis (such as staging in oncology) where applicable | Page3/Line 90-91 | Case presentation/ |
| Therapeutic Intervention | 9a | Types of therapeutic intervention (such as pharmacologic, surgical, preventive, self-care) | Page3/Line 98, Page4/ | Case presentation/ |
| | 9b | Administration of therapeutic intervention (such as dosage, strength, duration) | Page3/98-99, Page4/Line | Case presentation/ |
| | 9c | Changes in therapeutic intervention (with rationale) | Page4/Line 102, 108-110, | Case presentation/ |
| Section                        | Description                                                                 | Page/Line Numbers                          | Section Type     |
|-------------------------------|-----------------------------------------------------------------------------|---------------------------------------------|------------------|
| Follow-up and Outcomes        | 10a Clinician and patient-assessed outcomes (if available)                   | Page3/ Line 100, Page4/                    | Case presentation/ |
|                               | 10b Important follow-up diagnostic and other test results                    | Page4/ Line 111-117                          | Case presentation/ |
|                               | 10c Intervention adherence and tolerability (How was this assessed?)         | Page4/ Line 128                             | Case presentation/ |
|                               | 10d Adverse and unanticipated events                                        | Page4/ Line 121-122,                      | Case presentation/ |
| Discussion                    | 11a A scientific discussion of the strengths AND limitations associated with this case report | Page6/ Line 176-185                      | Discussion/ Paragraph 3 |
|                               | 11b Discussion of the relevant medical literature with references           | Page4/ Line 132-139,                      | Discussion/ Paragraph 1-2 |
|                               | 11c The scientific rationale for any conclusions (including assessment of possible causes) | Page 5/ Line 150-151,                   | Discussion/ Paragraph 1-2 |
|                               | 11d The primary “take-away” lessons of this case report (without references) in a one paragraph conclusion | Page6/ Line 186-189,                  | Discussion/ Paragraph 4 |
| Patient Perspective           | 12 The patient should share their perspective in one to two paragraphs on the treatment(s) they received | Not reported, as she                      |                  |
| Informed Consent              | 13 Did the patient give informed consent? Please provide if requested        | Yes ☐ No ☐                                 |                  |
