Erratum

Rituximab in two cases of Goodpasture’s syndrome

Birgit Schless, Suzan Yildirim, Daniel Beha, Frieder Keller and David Czock

NDT Plus, June 2009; sfp020, 2: 225–227.

The arrow was misplaced in the original Figure 1 of cranial magnetic resonance tomography. Below see the correct placement of the arrow indicating toxic leukoencephalopathy in our Case 1 with Goodpasture’s syndrome.

The author would like to apologize for this error.
