Supplementary file

**Figure 1.** Pictorial health warning labels

- **P1**: WARNING - The water in shisha (narghile) does not prevent toxic materials from reaching your body.
- **P2**: WARNING - Shisha (narghile) smoke contains a substance also found in rat poison.
- **P3**: WARNING - Protect your children: Don’t let them be exposed to shisha (narghile) smoke.
- **P4**: WARNING - Despite its pleasant smell, shisha (narghile) smoke kills.

**Figure 2.** Health warning label locations on the waterpipe device

- **Base**
- **Mouthpiece**
- **Stem**
- **Hose**
