Archaeology
Books and Journals from Cambridge University Press

Cambridge publishes books and journals that cover research throughout world archaeology and across all periods.

Our list includes key handbooks and manuals in method, theory and scientific techniques; case studies of sites, surveys and excavations; comparative and interpretative works; scholarship on cultural resource management, and large scale, reliable reference works.

Heritage Technology Ltd

Heritage Sector IT Specialists

3D Visualisation

- Digital visualisation of objects, buildings & landscapes
- Photo-realistic, high quality historical reconstructions

Services for visitor attractions, academia & commercial projects

Individually tailored to fit all requirements & budgets

Services also include web design & digital archaeological support

Heritage Technology specialises in creating highly realistic 3D visualisations from historical & archaeological data. Digital reconstruction is a proven technique in both academic & commercial archaeology for portraying often complex spatial & temporal data in an accessible and engaging way. Explore the possibilities at:
