Correction

Dual Feedforward Loops Modulate Type I Interferon Responses and Induce Selective Gene Expression during TLR4 Activation

Jie Zhou, Tingzhe Sun, Shouheng Jin, Zhiyong Guo, and Jun Cui*

(iScience 23, 100881; February 21, 2020)

During preparation of the revised manuscript, the same images of p-TBK1 and p-IRF3 for Figures 2A and 2E and p-IRF3 for Figures 2B and 2D were used. Furthermore, the wrong image of IRF3 was used for Figure 2E by mistake. Below is the correct figure. The authors apologize for any inconvenience caused to the readers.
