Introduction

The supporting information provides -

1. The classified LULC maps of all the basins along with delineated watersheds and streamlines, using shuttle radar topography mission (SRTM) digital elevation map (DEM) (Figures 1 and 2)
Figure 1. Sub basin division maps of basins B-1 to B-14, along with classified LULC categories

Legend
- Basin outline
- LULC Value
- Dryland Cropland and Pasture
- Irrigated Cropland and Pasture
- Cropland/Grassland Mosaic
- Evergreen Forest
- Forest
- Other
Figure 2. Sub basin division maps of basins B-15 to B-28, along with classified LULC categories
